

ABOUT US

ABOUT US

Furnibest founded in 2013 at Craft City Jepara, with passion of producing high-quality indoor and outdoor furniture with various styles. Our warehouse located in Senenan, Jepara, Center Java, spanning almost 300 m² supported by 50 experienced craftsmans. By using recycled teak wood as our main material We tried to minimize the negative impact for the environment and earth. We reshape recycled teak wood that comes from various conditions and create them to become a high-quality furniture to serve you elegance, value, and comfort you deserve

PROJECTS

FURNITURE MANUFACTURING

Aside from providing the best interior and exterior product, we also manufactured custom furniture, chairs, furniture components, and laminated furniture for various projects according to client's specification. Through our wide range of products and services, we have been trusted to handle numerous furniture projects such as cafes, restaurant, hotel, and high-end apartment.
